LEAVE RULES AND GUIDELINES

The following general rules apply to all leave types unless specifically stated otherwise:

- Casual Leave and Sick Leave are credited to the employee's leave balance on the first day of the following month, provided the employee has worked for a minimum of 20 days during the previous month.
- For employees joining or separating during the leave cycle, all leave will be calculated on a pro-rata basis.
- Casual Leave and Sick Leave cannot be carried forward to the next financial year, nor can they be encashed. Any balance remaining at the end of the financial year (31 March) will lapse automatically.
- Employees are not permitted to avail more than 2 consecutive days of Casual Leave. If additional days are required, they must be clubbed with Earned Leave.
- Sick Leave taken for more than 2 consecutive days requires a Medical Certificate from a registered medical practitioner, to be submitted within 3 working days of returning to work.
- Leave cannot be availed during the notice period unless specifically approved by the reporting manager and HR.

EARNED LEAVE (EL)**Eligibility and Accrual**

Earned Leave is accrued based on the length of continuous service. Employees become eligible for 15 days of Earned Leave upon completion of one year of continuous service, provided they have worked for a minimum of 240 days in that year. Thereafter, Earned Leave accrues at the rate of 1.25 days per month. Employees in their probation period accrue EL at 0.5 days per month, which becomes available for use only after probation confirmation.

Application and Approval

Planned Earned Leave must be applied and approved at least 7 days in advance through the ZyroHR portal. All leave requests are subject to manager approval and business requirements. Retroactive EL applications will not be approved except in genuine emergencies, at the discretion of the reporting manager and HR.

Carry Forward

A maximum of 45 days of Earned Leave may be carried forward at the end of each financial year (31 March). Any balance exceeding this limit will be automatically encashed at the employee's basic daily rate and credited in the April payroll.

Encashment

Employees are eligible to encash up to 50% of their available Earned Leave balance once per financial year, subject to a minimum balance of 5 EL days being retained after encashment. The request must be raised through the ZyroHR portal. EL encashment is also permitted at the time of separation, for the full remaining balance.

MATERNITY AND PATERNITY LEAVE

Maternity Leave

Female employees who have completed a minimum of 80 days of service in the 12 months preceding the expected date of delivery are entitled to 26 weeks of paid Maternity Leave, in accordance with the Maternity Benefit (Amendment) Act, 2017. This entitlement applies to the first two live births. For a third child, the entitlement is 12 weeks. Up to 8 weeks of pre-natal leave may be availed prior to the expected delivery date. Provisions for surrogacy and adoption are handled on a case-by-case basis. Please contact the HR team for details.

For unplanned absences such as Sick Leave or emergency Casual Leave, the application must be submitted on the same day of absence or the next working day at the latest.
